11th September 2007

Dear Judoka,

I wish to congratulate all the coaches who received their primary coaching certificates at the coaching course held in Galway last weekend.

All coaches that wish to proceed to intermediate coaching level are invited to declare their interest in doing so by contacting the Technical Director by email at [maryal197@eircom.net](mailto:maryal197@eircom.net) or by post to the judo Ireland address above. We are in the process of selecting the evaluation venues and dates, therefore information on the locations of the coaches interested in participation would be of benefit. Those interested in participation should respond as soon as possible to ensure their inclusion in the coming years evaluation and certification process.

Best Regards

Alonzo Henderson  
Technical Director  
Judo Ireland
